In re Patent No. 7,035,901 :
Issue Date: April 25, 2006 :
Application No. 09/466,813 : NOTICE
Filed: December 20, 1999 :
Attorney Docket No. PM265486 :

This is a notice regarding your communication filed October 26, 2009, which is being treated as a request for acceptance of a fee deficiency submission under 37 CFR 1.28(c).

The request is **DISMISSED**.

Counsel states that the first maintenance fee was incorrectly paid at the small entity rate and now wishes to pay the large entity portion of the maintenance fee in the amount of \$490.00 to be charged to deposit account no. 04-0750.

The request for acceptance of a fee deficiency submission under 37 CFR 1.28 (c) is dismissed because the request is not signed by a proper party. Counsel is encouraged to note 37 CFR 1.33(b) which reads:

(b) Amendments and other papers. Amendments and other papers, except for written assertions pursuant to § 1.27(c)(2)(ii) of this part, filed in the application must be signed by:

- (1) A registered patent attorney or patent agent of record appointed in compliance with § 1.32(b);
- (2) A registered patent attorney or patent agent not of record who acts in a representative capacity under the provisions of § 1.34;
- (3) An assignee as provided for under § 3.71(b) of this chapter; or
- (4) All of the applicants (§ 1.41(b)) for patent, unless there is an assignee of the entire interest and such assignee has taken action in the application in accordance with § 3.71 of this chapter.

Applicant is given **ONE MONTH** to submit a properly signed request listing the fees erroneously paid as a small entity and the total fee deficiency to avoid the return of the present fee deficiency paper. This time period is not extendable under 37 CFR 1.136(a).

The Office has recognized the paper stating that Global Media Online, Inc. is a large entity.

The file does not indicate a change of address has been submitted, although the address given on the request differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the request; however, the Office will mail all future correspondence solely to the address of record.

Further correspondence with respect to this matter should be delivered through one of the following mediums:
